This form will only be processed if it clearly matches a valid registration that has already been made. In the absence of a valid registration or in the event that the information provided on this form is incomplete or illegible, the proxy holders designated by WashTec AG will not be able to exercise the voting rights or any other rights associated with the Annual General Meeting.

Please refer to the information in the notice convening the Annual General Meeting regarding timely registration for and the exercise of voting rights in the Annual General Meeting.

1 Proxy issuer

Please fill out section 1 completely and legibly. Please copy the required information concerning the proxy issuer from the admission card sent to you after valid registration.

2 Granting of proxy and issuance of instructions to the Company-designated proxy holders

If you wish to appoint a proxy holder designated by WashTec AG to exercise your voting rights on your behalf, you may do so using section 2 of this form.

If you leave all three boxes empty, your instruction will be counted as “abstain”. If you mark two or more boxes, your instruction will be counted as invalid. If parts of an agenda item are voted on separately instead of together in a single vote, your voting instruction for that agenda item applies the same for each separate vote. Any instructions to the Company-designated proxy holders on agenda item 2 (Resolution on the appropriation of distributable profit) also apply to any proposal for the appropriation of distributable profit that is adjusted to take into account the number of treasury shares on the day of the Annual General Meeting with the dividend per eligible share unchanged. The proxy holders designated by WashTec AG are only allowed to exercise voting rights on your behalf in accordance with your instructions. The Company-designated proxy holders will not carry out any other instructions.

Please send the completed form to the following address, taking into account the dates for receipt stated in the notice convening the Annual General Meeting and making due allowance for mail delivery times.
